Intro - 0:00

Intro: Dm F C G

Couplet - 0:17

No I can't quite conceive what all of this means

I might be wrong but darling can't you see

This bond between us seems so special to me

Some kind of clear unspoken chemistry

Prérefrain - 0:46

The message you're sending is mixed

I'm broken, I need to be fixed

I'm in need of attention

I'm in need of love

Refrain - 1:01

She's the rope that holds me

Yes I know she knows me well enough

She's the fire that blinds me

Leaves my fears behind me for a while

Interlude - 1:30

( Dm F C G )

Couplet - 1:44

No I can't quite describe what's before my eyes

It's something you can't see that I can't hide

I try to avoid all these thoughts inside

When you're the only thing that's on my mind
