I was scared of dentists and the dark  
I was scared of pretty girls and starting conversations  
Oh, all my friends are turning green  
You're the magician's assistant in their dream

Ouh, ouh, ouh  
Ouh, ouh, and they come unstuck

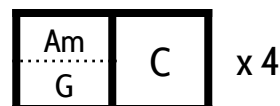

Refrain - 0:39

Lady, running down to the riptide, taken away  
To the dark side, I wanna be your left hand man  
I love you when you're singing that song, and I got a lump  
In my throat, 'cause you're gonna sing the words wrong

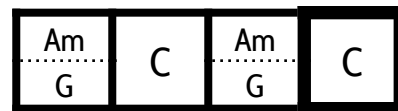

Couplet - 0:58

There's this movie that I think you'll like  
This guy decides to quit his job and heads to New York City  
This cowboy's running from himself  
And she's been living on the highest shelf

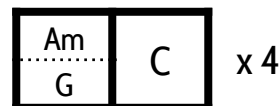

Prérefrain - 1:17

Ouh, ouh, ouh  
Ouh, ouh, and they come unstuck

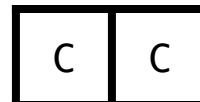

Refrain - 1:26

Lady, running down to the riptide, taken away  
To the dark side, I wanna be your left hand man  
I love you when you're singing that song, and I got a lump  
In my throat, 'cause you're gonna sing the words wrong

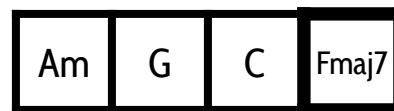

Interlude - 1:45

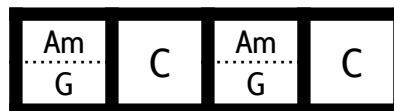

Pont - 1:50

I just wanna, I just wanna know  
If you're gonna, if you're gonna stay  
I just gotta, I just gotta know  
I can't have it, I can't have it any other way

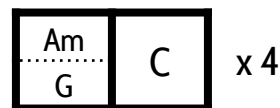

Prérefrain - 0:29

I swear she's destined for the screen  
Closest thing to Michelle Pfeiffer that you've ever seen, oh

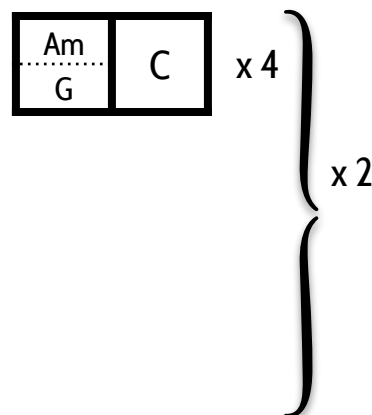

Refrain - 2:17

Lady, running down to the riptide, taken away  
To the dark side, I wanna be your left hand man
